

BOSS CLOSURES SPIRIT CAP

Boss is pleased to present its innovative Spirit Cap which provides full tamper evidence and captured cap for ease of closing . A unique snap on closure which can be tailor printed or colored to your own design and available in two sizes 47mm and 58mm for all bottle sizes and shapes.

The cap is simply wound up and down to open and close the bottle with the unique design ensuring smooth and consistent pouring rates. In addition the integral glass ball provides a second tamper deterrent .

Compared to current aluminum closures the Boss cap:-

- Remains on the bottle for the life of the bottle.
- Is suitable for all types of contents be they wine or spirits.
- Maintains its shape ensuring a leak free air tight seal every time.
- Is applied in a single step reducing cost.
- Eliminates sharp edges and lost caps.
